

January 13, 1975

PRESIDENT: Are you ready for the question? Vince. All those in favor of the motion signify by -- voting aye. Clerk will record.

CLERK: 36 ayes, no nays, Mr. President.

PRESIDENT: The motion carries. Are there any other motions?

CLERK: None, Mr. President. Mr. President, I do have some new bills to introduce.

PRESIDENT: Proceed.

CLERK: (Legislative bills read: LB 134; LB 135; LB 136; LB 137; LB 138; LB 139; LB 140; LB 141; LB 142; LB 143; LB 144; LB 145). That's all I have Mr. President. I have a motion to adjourn.

PRESIDENT: Senator Stull.

SENATOR STULL: Mr. President, members of the Legislature, I would like to have a meeting of the Transportation Committee right after we adjourn. We'll meet over here under the South balcony.

PRESIDENT: Alright. Any question about that, the Transportation Committee under the South balcony? Mr. Speaker do you have anything?

SPEAKER: A question, Senator Stull. Senator Stull, is this the old standing committee or has there been a new one appointed? I'm not certain.

SENATOR STULL: The purpose of this meeting -- you will be leaving the committee and we'll have to elect a new Vice Chairman. That's the purpose of the meeting.

SPEAKER: Senator Carsten will be replacing me because of the Statute, is this right?

SENATOR STULL: Yes.

SPEAKER: And then the other committee -- the other standing members have already been selected for this coming two years?

SENATOR STULL: Yes, that's my understanding.

CLERK: Mr. President, I have a new bill on the desk.

PRESIDENT: Excuse me, what was that? Proceed.

CLERK: (Legislative bills read: LB 146). That's all Mr. President.

PRESIDENT: Mr. Speaker, do you have anything before we call for the vote on adjournment? The Chair recognizes Senator Duis.

SENATOR DUIS: Mr. President, I'm wondering if the committee members of the old Rules and Administrative Rules and Regulations Committee would meet with me immediately following this. I think we may have a serious question in regard to the Agriculture Departments Rules and Regulations concerning the livestock situation as far as the American Packers is concerned, and I would like very much to have them meet with me immediately after we adjourn.
